## EXPERIENCE

11/2021 to Current

### QA Technician

**Dambuster Studios** – Nottingham, Nottinghamshire

- Coordinated with my team to ensure morning smoke tests were completed in the mornings.
- Prioritising both long- and short-term tasks to ensure bugs were reported as soon as possible when requested or found.
- Utilised both Agile and Scrum methodologies to accomplish project milestones and meet demanding timelines.
- Tested functionality, performance, and compliance of the game against design specifications to maintain strong development standards and high customer satisfaction.

01/2022 to 09/2023

### Sales Assistant

**Tekeurope** – Newton Abbot, Devon

- A part-time role managing the company's Amazon seller account and ensuring that customers receive quality service.
- Take part in team meetings to take the minutes and ensure that targets are being met.
- Content writing for the company website, including articles, knowledge bases and product descriptions.

07/2017 to 11/2021

### Finance assistant/ Warehouse assistant

**Tekeurope** – Newton Abbot, Devon

- Maintaining sales ledgers and ensuring they are kept up to date.
- Picking and packing orders whilst following company guidelines.

09/2018 to 07/2019

### CERT Student Mentor

**Nottingham Trent University** – Nottingham, Nottinghamshire

- Delivered a range of catch-up and revision sessions to students to help guide them towards their goals for the end of the year.
